

Realising the value of health data ~
showcasing practical examples from research and healthcare

i~HD Annual Conference

Gothenburg, Sweden 19 - 20 November 2018

i~HD Annual Conference 2018

Preliminary programme

Monday 19th November

Pre-conference sessions

09:00-12:00	EHDEN workshop	Nigel Hughes , Scientific Director, Janssen Clinical Innovation Peter Rijnbeek , Assistant Professor, Erasmus Medical Center Rotterdam
09:00-12:00	Tutorial on GDPR	Nathan Lea , University College London; Peter Singleton , Cambridge Health Informatics; Nikolaus Forgó , University of Vienna; Brendan Barnes , EFPIA; Mitchell Silva , Esperity

Main conference programme: day one

12:00-13:15	Buffet lunch, networking	Opportunity to view exhibition area
13:15-13:30	Welcome to the conference and introduction to i~HD	Dipak Kalra : President of i~HD
13.30-15:30	Realising the value of health data for research Theme: Pragmatic Clinical Trials	Session chairman: Gurparkash Singh , Janssen R&D
	<i>Opening keynote:</i> The role of the Pragmatic Clinical Trial in industry decision-making	Andrew Roddam , VP & Head Real World Evidence and Epidemiology, GSK
	Pragmatic Clinical Trials: Real World Evidence's Hidden Gem	Mats Sundgren , Health Informatics Director, AstraZeneca
	The IMI GetReal Toolbox for incorporating PCTs into effectiveness planning	Rob Thwaites , Senior Director, Global Outcomes Research, Takeda
	The challenges of data quality and completeness in randomised trials (pragmatic or conventional). Is data harmonisation the answer?	Tjeerd van Staa , Professor of Health eResearch, University of Manchester
	Registry based pragmatic randomized controlled trials for nationwide evaluations of health care intervention	Heiner Bucher , Director, Basel Institute for Clinical Epidemiology & Biostatistics
	<i>Speakers panel discussion</i>	<i>Audience led Q&A with the speakers</i>
15:30-16:00	Coffee break, networking	Opportunity to view exhibition area

16:00-17:45	Realising the value of health data for research Theme: Observational Health Data	Session chairman: John Wise , Pistoia Alliance
	The Observational Health Data Sciences and Informatics (OHDSI) Initiative	Peter Rijnbeek , Assistant Professor, Erasmus Medical Center Rotterdam
	Transforming big health data into evidence to support vaccine benefit and risk monitoring: examples from the IMI-ADVANCE project	Miriam Sturkenboom , Associate Professor in Global Health, University Medical Center Utrecht
	From EMIF to EH DEN: scaling up the big data ecosystem across Europe	Nigel Hughes , Scientific Director, Janssen Clinical Innovation
	Creating digital patients	Julian Isla , President & Co-founder Foundation 29
	Swelife / Sweper project – a Swedish national initiative to support the usage of systematic health data in personalized medicine	Lars Lindsköld , Portfolio manager Sweper a part of Swelife
	<i>Speakers panel discussion</i>	<i>Audience led Q&A with the speakers</i>
17.45-18:00	Challenging the hierarchy of evidence	Robert vander Stichele , Professor of Clinical Pharmacology, Ghent University
18:00-18:30	Enjoy a glass of wine	Opportunity to view exhibition area
19:00	Dinner: registered delegates are warmly invited	Gothia Towers

Tuesday 20th November

Main conference programme: day two

08:45-08:55	Opening welcome, introduction to the day and to the Panel Debate	Dipak Kalra : President of <i>i~HD</i>
08:55-10:15	Panel Debate: The acceptance of Real World Evidence in decision making	Moderator: Dipak Kalra Panelists: Tomas Andersson , Clinical Vice President, Cardiovascular/Chronic Kidney Disease, AstraZeneca R&D Julian Isla , Foundation 29 and EMA Wim Goettsch , Special Advisor HTA, Zorginstituut Nederland (ZIN), Miriam Sturkenboom , Associate Professor in Global Health, University Medical Center Utrecht
10:15-14:15	Realising the value of health data for Learning Health Systems Session chairman: Georges De Moor , Professor Medical Informatics, Ghent University	
	<i>Opening keynote:</i> The global landscape of Learning Health Systems	Chuck Friedman , Josiah Macy Jr. Professor of Medical Education and Chair of the Department of Learning Health Sciences, University of Michigan

10:45-11:15	Coffee and networking	Opportunity to view exhibition area
	Bringing the value of health data to patients	Kaisa Immonen , Director of Policy, European Patients' Forum
	Improving health outcomes through health data	Rosna Mortuza , Director of Implementation, International Consortium for Health Outcomes Measurement (ICHOM)
	Evaluation of a learning health care system in action: the example of Connected Health Cities in the North of England	Stephanie Steels , Research Associate, Connected Health Cities
	Data management - A necessity for patients	Hanna Svensson , patient advocate and representative
	Experience and practical examples from utilising electronic health records in research	Juuso Blomster , Chief Physician, Turku University Hospital
12:30-13:30	Lunch + networking	Opportunity to view exhibition area
13:30-14:15	Panel Debate: How can we engage and serve patients through co-creation of value from their data, and grow their trust and confidence?	Main speakers from the morning session
14:15-15:30	i~HD Task Forces at work!	
	Introduction	Pascal Coorevits , i~HD Data Quality Task Force lead, Professor of Medical Informatics and Statistics, Ghent University
	The i~HD Observatory and guidance on the GDPR	Nathan Lea , i~HD GDPR Task Force lead, Senior Research Associate, UCL Institute of Health Informatics, London
	Using the instrumentarium of prescribing audit to check the quality of data in primary care	Robert vander Stichele , Professor of Clinical Pharmacology, Ghent University
	Assessing the quality of heart failure outcomes data at the Hospital del Mar, Barcelona	Pascal Coorevits Miguel-Angel Mayer , Associate Professor in Biomedical Informatics, Pompeu Fabra University, Barcelona Marta Durá-Hernández , Scientific Manager, Universitat Politècnica de València Carlos Sáez , Senior Researcher, Universitat Politècnica de València
	Launch of the i~HD Data Quality service for hospitals	Pascal Coorevits Carlos Sáez Geert Thienpont , i~HD Managing Director Geert Byttebier , i~HD Project Manager
15:30-15:40	Summing up, and the future ambitions of i~HD	Dipak Kalra : President of i~HD
15:40	Coffee and close	Opportunity to view exhibition area
