

Agenda

iHD Thursday 21st September 2017

08:45	Welcome to the conference	Prof. Jesús Fernández Crespo , Director General of the National Institute of Research, Carlos III Dr. Joaquín Arenas Barbero , Director, Health Research Institute, Hospital 12 de Octubre
08:55	Welcome and introduction iHD	Dipak Kalra , President of iHD
09:10	Importance of secondary use of clinical data in Spain's National Health System	Arturo Romero Gutierrez , Spanish Ministry of Health, Social Services and Equality
09:25	Opening address	Ain Aaviksoo , Deputy Secretary General for E-services and Innovation, Ministry of Social Affairs of the Republic of Estonia
09:40	Towards value based outcomes based care Chair and Q&A moderator: Mary Baker	
09:40	Introduction of the session and to Mary Baker	Dipak Kalra , President of iHD
09:45	Health insurer perspective	Christoph Rupprecht , AOK – Die Gesundheitskasse Germany
10:00	Policy perspective	Daniel Furby , Foresight International Policy and Regulatory Advisers (FPIRA)
10:15	Outcomes-based healthcare and the pharmaceutical industry	Thomas Allvin , Director Strategy and Healthcare Systems, European Federation of Pharmaceutical Industries and Associations (EFPIA)
10:30	Outcomes-based healthcare: a health technology assessment (HTA) perspective	Jacoline Bouvy , Scientific Adviser, Research and Development, National Institute for Health and Care Excellence (NICE)
10:45	Discussion moderated by Mary Baker (online questions from the audience via the conference app)	
11:30	COFFEE BREAK	
12:00	Towards Learning Health Hospitals Chair and moderator: Giuseppe Banfi	
12:05	Presenting the iHD NoE mission and steering committee	Giuseppe Banfi , General Director, Fondazione Centro San Raffaele
12:15	Challenges in improving care pathways through health outcomes measurement. Experiences of value based healthcare at Uppsala University Hospital	Morten Kildal , Lead for value based healthcare, Uppsala
12:30	Using EHR data for research purposes - experiences with a Clinical Data Warehouse platform at Hannover Medical School	Svetlana Gerbel , Medizinische Hochschule Hannover

	12.45	Hospital experience in the use health data for improvement and research	Pablo Serrano Balazote , Director de Planificación, Hospital Universitario 12 de Octubre
13:00	LUNCH and visit to the info booths		
14:00	Patient perspectives on health data		
	14:00	Patient perspectives on reusing health data for research	Juan Fuertes , Board Member of the European Patients Forum (EPF), and Access Manager at Pulmonary Hypertension Association Europe
	14:15	Citizens' Juries on the reuse of health data	Mary Tully , University of Manchester
	14.30	What do we desire?	Nathan Lea , Senior Research Associate at the UCL Institute of Health Informatics
14.45	Panel discussion Chair and moderator: Diane Whitehouse		
	14:45	Introduction of the session and to Diane Whitehouse	Dipak Kalra , President of i~HD
	14:50	Panel Question: How do we agree and deliver the optimum levels of patient control over uses of their health data? Discussion moderated by Diane Whitehouse (online questions from the audience via the conference app)	<ul style="list-style-type: none"> • Juan Fuertes, EPF Board Member • Mary Tully, University of Manchester • Mitchell Silva, patient representative • Nathan Lea, UCL Institute of Health Informatics • Miquel Angel Mayer, Universitat Pompeu Fabra Barcelona
15.30	COFFEE BREAK		
16.00	Towards better health data		
	16.00	Data quality: summary of the i~HD data quality assessment methods and improvement strategies	Pascal Coorevits , The EuroRec Institute Carlos Sáez , Universitat Politècnica de València
	16.25	Interoperability: the eStandards Roadmap	Catherine Chronaki , eStandards Project co-ordinator
	16.40	Key success factors for good looking data	<ul style="list-style-type: none"> • Sara Cazzaniga, Senior Manager, Janssen Italy • Oriana Nanni, director of Biostatistics and Clinical Trial Unit, IRST/Meldola.
	17.00	Introduction to EMIF and day 2 of this conference	Bart Vannieuwenhuysse , Janssen, European Medical Information Framework (EMIF), project co-ordinator
	17.10	Some key messages from our host Hospital and Research Institute	Agustín Gómez de la Cámara , Assitant Professor. Head, Clinical, Epidemiological and Health Services Research, Hospital Universitario 12 de Octubre
17.20	Wrap up of day 1 by Dipak Kalra , outlining how i~HD responds to today's topics and challenges & opportunities		
20:00	Invited dinner: will be organised in the Novotel hotel Madrid Center, where most of the participants stay.		

Friday 22nd September 2017

09:00

Introductory Welcome

The European Medical Information Framework: development, progress, and showcasing results
Simon Lovestone, Professor of Translational Neuroscience, University of Oxford, UK &
Bart Vannieuwenhuysse, EMIF project co-ordinator, Janssen, Belgium

09:15	Research Use Cases – what have we learned? Simon Lovestone , Professor of Translational Neuroscience, University of Oxford, UK <ul style="list-style-type: none"> • Metabolic Bart Vannieuwenhuysse, Janssen, European Medical Information Framework (EMIF) • Alzheimer’s Disease Pieter Jelle Visser Vu University Medical Center • Cross Topic Peter Egger, Senior Director, Real World Evidence and Epidemiology, GSK, UK
11.00	COFFEE BREAK
11:30	New opportunities for scaling up big data research Dipak Kalra , President of <i>i~HD</i> <ul style="list-style-type: none"> • The European Research arena – A Study Tine Lewi, Janssen & Omer Saka, Deloitte • Citizen Generated Data Alison Bourke, QuintilesIMS Real-World Insights • The trustworthy scaling of big data research Dipak Kalra, President of <i>i~HD</i>
13:00	LUNCH and visit to the info booths
14:00	Data Harmonisation & Novel Data Reuse Peter Rijnbeek , Assistant Professor, Erasmus University Medical Center, The Netherlands <ul style="list-style-type: none"> • Observational Medical Outcomes Partnership (OMOP), Common Data Model (CDM) and Observational Health Data Sciences and Informatics (OHDSI) Peter Rijnbeek, Assistant Professor, Erasmus University Medical Center, The Netherlands • EMIF and Data Custodians experience with Observational Medical Outcomes Partnership (OMOP), Common Data Model (CDM) mapping in Europe Michel Van Speybroeck, Director of Data Sciences, Janssen, Belgium • Working with cohorts: Switchboxes & Knowledge Objects Rudi Verbeek, Senior R&D Manager, Janssen, Belgium • Placebo Data as a surrogate for RWD Gurparkash Singh, Principal Scientist, Janssen Research and Development, US Peter Egger, Senior Director, Real World Evidence and Epidemiology, GSK, UK
15.30	COFFEE BREAK
16.00	Panel Discussion Nigel Hughes , Scientific Director of Real World Evidence, Janssen, Belgium & Selected Speakers <ul style="list-style-type: none"> • What have we learned from EMIF in support of health data research? • What is the future beyond EMIF?
17.30	Closing Statement & End Simon Lovestone , University of Oxford & Bart Vannieuwenhuysse , Janssen, European Medical Information Framework (EMIF)

Conference venue:

Instituto de Investigación
Hospital 12 de Octubre

Building Centro de Actividades
Ambulatorias.
6º Planta. Bloque D.
Avenida de Córdoba, s/n.
28041 Madrid

**Realising the Value from Health Data ~
Improving Care and Research**
SEPTEMBER 21-22, 2017, MADRID
